OVERVIEW

I am a passionate Information Communication Technology undergraduate student at Rajarata University of Sri Lanka with interest in web development, networking, database management, and graphic designing. I have followed HTML, CSS, Figma, MySQL, Python, socket programming, react and java programming, interest to follow on UI/UX and Full-stack development areas. Dedicated to continuous learning and problem-solving, eager to apply technical expertise to real-world challenges.

EDUCATION

Bachelor of Information Communication Technology

Rajarata University of Sri Lanka (2022-Present)

G.C.E. Advanced Level Examination

St. Joseph's B.M.V.- Kegalle

- Specialization in Bio Systems Technology
